

## **It's Time for Brett Diener's EAGLE PROJECT!**

I will be restoring a historic railroad caboose at de Portola Elementary School, in Mission Viejo. This will allow kids to walk through it and learn about our country's history in a more in depth fashion. This will involve lots of painting, so everyone will be able to help.

My project is coming near, and I need volunteers to work the shifts. The lists are almost full, but I am going to need more kids and especially more adults. This next meeting, 6/16, is the last meeting before the project. I have spots open for each shift and I need them filled. The dates for the project are:

**Friday, June 20 – 8:30-11:30 AM; 12:00-3:00 PM**

**Saturday, June 21 – 8:00-11:30 AM; 12:00-3:30 PM**

**Sunday, June 22 – 8:30-11:30 AM**

**(Sunday is just in case we don't finish on the other two days)**
